EURASIP Journal on Information Security

Dear Mr. Bai,

I am pleased to inform you that your manuscript "Sensor Guardian: Prevent Privacy Inference on Android Sensors" (JINS-D-16-00107R1) has been accepted for publication in EURASIP Journal on Information Security.

Before publication, our production team will check the format of your manuscript to ensure that it conforms to the standards of the journal. They will be in touch shortly to request any necessary changes, or to confirm that none are needed.

Any final comments from our reviewers or editors can be found, below. Please quote your manuscript number, JINS-D-16-00107R1, when inquiring about this submission.

We look forward to publishing your manuscript and I hope you will consider EURASIP Journal on Information Security again in the future.

Best wishes,

Stefan Katzenbeisser, Prof.

Comments:

Reviewer #1: The authors have addressed all my concerns. I think that the paper is now ready for publication.

Reviewer #2: Compared to the original submission, your description and discussion of the system has improved significantly.

There are only some minor formatting issues, which could be easy to fix.
+ Table 1 exceeds the column width.
+ The figures are quite pixelated, please include them in a higher resolution.
